## **Weekly Sheets**

From now on we will be using a new format of readings so as to cut down time spent on administration.

You will also have received a second sheet entitled "Live the Word" We know that our faith is not something that we just do on a Sunday. St. Mary's offers a variety of ways to grow in our faith throughout the week, with weekly masses, Lent and Advent groups etc. If you would find these daily readings helpful and a way to encourage time spent in God's word daily then please would you put a tick on the sheet at the back so that I order enough for those who would like one. They will be available at the back off church every Sunday. Fr. Grant

### **Healing Ministry at St. Mary's**

As a curate in the Chester Diocese, I was one of the bishops advisors on healing and deliverance, having some experience of this ministry and also obtaining a masters on the subject. I would like to offer prayer ministry following communion, and so after some initial training, a team of people will be available in St Johns chapel on the 2<sup>nd</sup> Sunday's beginning in November. Should you like to receive prayer or the anointing of oil, simply go to St. Johns after you have received communion where the team will happily pray with you.

If you would like to be part of the team offering this ministry please speak to Fr. Grant.
