

ST. MARY'S, SANDERSTEAD CHOIR INFORMATION

Music at St. Mary's:

The church has a very able and enthusiastic robed SATB choir who perform music covering a variety of musical styles from Renaissance Polyphony to the present day. The choir sing each week for the Sunday morning Choral Eucharist and on the last Sunday of every month for Choral Evensong. They also sing at many of the significant services throughout the church year and the occasional weddings. The choir is affiliated with the Royal School of Church Music and members are encouraged to work through the RSCM 'Voice for Life' workbooks to achieve the relevant medal and ribbon at the end.

A typical Choral Eucharist will contain five hymns, often with descants. The choir also sing an anthem and a mass setting, which is normally congregational. Once every month the choir lead Choral Evensong and this service includes an introit, canticles, psalm, responses and two hymns. The choir often sing at St. James, Riddlesdown, our sister church, for larger services.

St. Mary's is a wonderful place to sing. The church has a fine twenty-five stop Rushworth and Dreaper pipe organ that was installed in 1935. Positioned in the South chancel with the console opposite, the organ is used for the majority of services and has around 750 pipes. There is also a grand piano and a large library of choral music.

Each member of the choir is expected to be present at all rehearsals and services which may fall outside of term time including major Feast Days (Advent and Christmas, Holy Week and Easter, Ascension Day etc.). This includes Christmas Morning, Easter Sunday Morning etc. The choir summer break runs throughout August.

Person Specification:

Singing with the choir provides excellent training (and a free musical education!) for those who are looking to improve their abilities as a choral singer. Previous experience of church music is desirable but not essential. Good self-management and time keeping is necessary. Above all, a passion for high standards of music making and choral singing is crucial. Adults of any vocal part are welcome to join the choir. The choir is especially keen to recruit children, above the age of 8, to join as a treble. Reasons to become a treble at St. Mary's include:

1.) EDUCATION - As well as free musical training, there is evidence to suggest that your school work benefits as a result. You develop and mature on a personal level, develop leadership skills and grow in self-confidence whilst contributing to the team.

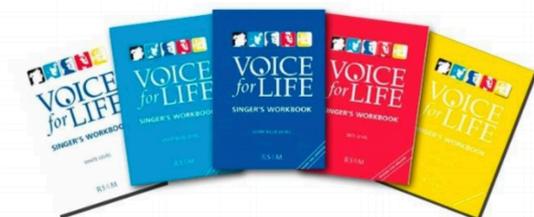

2.) ACHIEVEMENT - You will be part of one of the largest church choirs in the area.

3.) THE ENJOYMENT OF SINGING - The choir provides an excellent chance for you to use your voice and to constantly improve it.

4.) TRADITION - As a member of a church choir, you are part of a tradition that spans many centuries. You will enjoy learning a wide repertoire of music composed from the 1300s to the present day.

5.) FRIENDSHIP - The choir is a chance to make long lasting friends.

6.) QUALIFICATIONS & AWARDS - You will receive free training towards examinations for nationally recognised singing awards from the

Royal School of Church Music.

7.) BIG OCCASIONS - be part of the many large services at which the choir play a prominent role.

8.) ACTIVITIES - Quite apart from singing, there are opportunities to take part in other activities together as part of the church youth club, Chrome.
